Re: Hydro-Photon, Inc. v. Meridian Design, Inc.
Civil Action No.: 05-11240 GAO
Our File No. 108030-0011

Dear Judge O'Toole:

During a Scheduling Conference held on October 25, 2005, the Court advised the parties that their proposed Protective Order would be entered once Paragraph 10 was amended to provide that a redacted copy of any document to be filed under seal will accompany the document filed under seal so that the redacted copy of that document may be filed in the public record.

The Protective Order has been amended accordingly and is being electronically filed concurrently herewith.
